ESTIMATES OF TREATMENT COSTS

We will happily provide a written estimate as to the probable costs of a course of treatment. Please bear in mind that any estimate given can only be approximate - often an animal's illness will not follow a conventional course

TERMS OF BUSINESS

Any account for an established client not settled within 30 days may incur additional administrative costs as reminders need to be sent out. Should it be necessary for further reminders to be sent, further charges will be incurred. These however, may be deducted if payment is made promptly. After due notice to you the client, overdue accounts will be referred to our Debt Collection Agency and further charges will be levied in respect of costs incurred in collecting the debt: production of reports, correspondence, court fees, attendance at court, phone calls, home visits, etc. This may raise the original veterinary fees by over 25%. Any cheque returned by our Bank as unpaid, any Credit Card payment not honoured and any cash tendered that is found to be counterfeit will result in the original account being restored to the original sum with further charges added in respect of bank charges and administrative costs together with interest on the principal sum.

INABILITY TO PAY

If, for any reason, you are unable to settle your account as specified, we ask you to discuss the matter as soon as possible with a member of staff. Please note that installments or part-payments of any account may ONLY be sanctioned with the express permission of Edmund Collins.

PET HEALTH INSURANCE

Station House Vets strongly supports the principle of insuring your pet against unexpected illness or accidents. Please ask for details about insurance from any member of staff. Please be aware that it is your responsibility to settle our account and then reclaim the fees from your Insurance Company.

COMPLAINTS & STANDARDS

We hope that you never feel the recourse to complain about the standards of service received from Station House Vets. However, if you feel that there is something you wish to complain about, please direct your comments in the first instance either to your vet, or to Vikki Wong in the office on admin@stationhousevets.co.uk. OWNERSHIP OF RECORDS.

Case records and similar documents are the property of, and shall be retained by Station House Vets. Copies with a summary of the history will be passed on request to another veterinary surgeon taking over the case.

OWNERSHIP OF X-RAYS AND SIMILAR DOCUMENTS

The care given to your animal may involve making some specific investigations, for example taking x-rays or performing ultrasound scans. Even though we make a charge for carrying out these investigations and interpreting their results, ownership of the resulting record for example an x-ray image remains the property of the practice.

No addition or variation of these conditions will bind the practice unless it is specifically agreed in writing and signed by Edmund Collins. No agent or person employed by, or under contract with, the practice has the authority to alter or vary these conditions in anyway.
